Bill Warren's IMAX theaters again are the top-grossing IMAX theaters in the country

WICHITA — Bill Warren is getting a bit of a reputation, and he doesn't mind.

He says his Moore, Okla., and Wichita **IMAX** theaters again were the No. 1 and No. 2 top-grossing IMAX theaters in the country over the weekend and that the **Empire** IMAX in New York City was No. 3.

Warren's theaters have been on top so much, soon it'll hardly be news if they make it again. Warren admits he now has something to live up to.

"As opposed to my normal thing – something I have to live down to."

Warren says the numbers, which he won't share, are particularly significant given that his prices are less expensive than tickets in New York and elsewhere.
